

How to set up a Facebook Fundraiser

Setting up a Facebook Fundraiser is a simple yet effective way of supporting LHCH Charity. You can set one up for a birthday, special event or just because you want to get involved!

Simply log into your Facebook account. Then look to the left of your page and find the button 'Fundraisers'

Once you have selected this button

you will see another section that shows then all you need to do is click the button that says 'Raise Money'

Once selected, the next section will open and you will need to search for the Charity that you would like to support. In our case you will need to type in 'Liverpool Heart and Chest Hospital Charity' and it will bring up our Charity's page, select this option.
